

*Bringing Arabian Enthusiasts Together Since 1965*

Volume 2, Issue 2  
 “Spring Fling”

*The Georgia Arabian Horse Association is proud to sponsor activities in Georgia that are focused around Arabian horses and their owners and breeders.*

**M**ay is Celebration of the Arabian Horse Month.

This is a time for Arabian horse enthusiasts to share in their communities the wonderful, intelligent, and beautiful Arabian breed.

Designed as a grassroots marketing initiative, Arabian Horse Month encourages local members and clubs, who have the best access to people in their area, to reach out to all walks of life and introduce them to the magic of the Arabian horse.

To help create awareness and lead the initiative, AHA has chosen three events to participate in during the month of May. The first event, the Furry Scurry, the AHA staff and their dogs will walk in a fundraiser to help support homeless equines. The next event, AHA staff, along with real jockeys, will head to the Aurora - Children’s Hospital Colorado to do arts and crafts with the kids. For the last event, AHA is partnering with a local open horse show to bring awareness to the Arabian horse breed during the show. An Arabian horse exhibition class will be featured to show the versatility of the Arabian horse.

## President's Message

**W**e are well under way into

2016 and your GAHA board is hard at work planning a great year for our club. As a club that has existed for 50+ years now, we have seen much change in our group and what we do. This year marks another new start for our club as we seek to meet the changing needs and desires of our group. We have asked our membership what they want from us and have received great feedback. Based on that feedback, we do not intend to put on any A-rated shows but rather to work on fun, educational events for all members with an emphasis on our youth. Look for clinics and social events in the coming months. We will spend 2016 holding as many of them as possible.

The Arabian industry saw a 12% decline in membership in 2014 and sadly repeated that trend in 2015. In order to reverse that trend, we must act to bring in new families to our breed and to our associations. We must provide events and opportunities to showcase our special horses as the versatile animals that they are. After all, isn't that our moto: The versatile Arabian horse!

Throughout this newsletter you will find details about upcoming events. Please plan to attend and share your love of the Arabian horse with other people just like you. As we move through 2016 with some firm events in place, we are planning many more.

Please read our newsletters and share them with your friends. In this day of social media, we can get our message out in greater audience than ever before! At GAHA, we want to seize

the day and maximize our social media opportunities by asking you, our members, to participate. Join us on Facebook by liking the Georgia Arabian Horse Association page and join the conversation in the GAHA-Georgia Arabian Horse Association group. Please help us spread the word. Sharing is caring. We invite you all to be active in our club. Volunteer and get to know us.

Speaking of Volunteers... We are looking for people who can give us a hour or two to help the Show Committee facilitate some of the fun events planned at the upcoming Region 12 Championship show in Perry, GA, May 2-7. Can you spare a little time? We want to show everyone in the region that GAHA members stand together. GAHA proud.

I look forward to hearing from you all. Please contact me to volunteer at Region 12.

Mike Moak  
President

# GAHA YOUTH

Dear Youth:

I would like to take this opportunity to thank you for allowing me to be your new GAHA Youth Director. I consider this an honor and I look forward to talking and meeting with each of you soon.

Another exciting year in the world of horses is upon us! Horse shows, competitions, friends and new places are just waiting on us. Are you ready?

To get our activities started I need your input. I know our daily lives are filled with all kind of activities and we are very busy, yet I need you to take a few minutes to think about the following thoughts:

- First, what are your goals and dreams dealing with your horse?
- What do you like to do with your horse?
- Do you show your horse and what do you like about showing?
- What do you not like about showing your horse?
- Do you have a trainer or are you on your own?
- What type of activities would you like to participate in to educate you and your horse to higher goals?

- Are you interested at all in being a part of the GAHA youth group and why or why not?

Involved in this sport is a partner and a special kind of love for animals accompanied by the desire to become a team player with others involved in doing what we do with our horses. Education in care, handling and learning the proper way to ride are all a part of this. So come and saddle up with GAHA Youth to enjoy God's most beautiful gift – the Arabian Horse.

My E- mail is [starkeqctr@gmail.com](mailto:starkeqctr@gmail.com) and my phone number is 229.809.0025. I look forward to hearing from you.

Norma Karst  
GAHA Youth Director

*Sponsored by the Perry Convention and Visitors Bureau*

*Join your fellow members in welcoming the Region XII competitors to Perry.  
Be recognized – wear your purple shirt.*

Best of luck to all of our members competing at the  
Region XII Championship Show!

# FREQUENT RIDER PROGRAM

*Calling all GAHA Members!*

**The Frequent Rider Program rewards riders for every hour that they spend riding or driving an Arabian or Half-Arabian/Anglo-Arabian horse in non-competitive activities.**

The Arabian Horse Association is committed to recognizing and rewarding the riders who work with and enjoy Arabian and Half-Arabian/Anglo-Arabian horses - in all types of non-competitive riding and driving.

The best part of the FRP is that the type of riding doesn't matter as long as it is non-competitive! Whether you use an Arabian or Half-Arabian/Anglo-Arabian horse to trail ride, do ranch work, participate in parades, take riding lessons, train under saddle or just ride or drive for pleasure, you can now be recognized and rewarded for what you love most.

I ride all the time! How do I join?

Riders who would like to compete in the FRP must fill out the Incentive Program Sign-Up Form and pay a one-time \$25 processing fee to join.

Program participants are defined as an individual rider, not a specific horse and rider combination. This means that as a rider, you may ride any number of horses, regardless of whether you own them or not, as long as they are all Arabians or Half-Arabian/Anglo-Arabians registered with the Arabian Horse Association.

**NOTE:** Participation in any Arabian Horse Association program requires a current membership with the Arabian that might include: Groundwork, Feeding, Cleaning Stalls, Tacking Up, Trailering, Veterinary Care

\*Be sure to contact us if you have questions about which activities are allowable

**Are you participating? Let us know!**

GAHA Contact: Susan White  
swdeepcreekarabs@aol.com / 770-547-2832

## Anyone interested in a GAHA group trail ride at Ashland Farm?

Ashland has requested more information before we can confirm a date: Will we want to pre-mark trails? How many people total will attend? How many in a group?

Please email Missy Snyder zharabian@yahoo.com if you would like to participate.

---

## MEMBER SPOTLIGHT DALE BROWN

Dale Brown comes from a long line of successful horsemen. As a fourth generation horseman, he has been raised in the equine culture and has been training and showing Arabians for more than 25 years. Dale, with his strong emphasis on the Western and Hunter Pleasure Divisions, has also developed his program to successfully train horses and instruct riders and handlers in Reining, Sidesaddle, English Pleasure, Horsemanship, Equitation, Halter and Showmanship. Dale takes great pride in forming a young horse as well as rehabilitating the older, savvier show horse.

Dale's success has been proven and acknowledged, in the most competitive show rings, the most aggressive sales arenas, and by his peers. In 2006, he was nominated by the Arabian Professional and Amateur Horseman's Association for the Rising Star Award. In 2007 and 2008, he was nominated for the

extremely celebrated Male Western Pleasure Trainer of the Year Award.

At Dale Brown Performance Horses the training of horses is serious business but sometimes it's also just plain fun!

This Lucky Leprechaun took home the blue~

## Spring Ahead:

# Management strategies to get your horse ready for the new season

By Dr. Lydia Gray

Photo: Called Me Justintime – co-owned by Denni Mack and Shelley MacMillian born Feb 22

Houses get a spring cleaning, cars get a spring tune-up . . . why shouldn't horses receive the same extra attention when the weather turns warm and their duties change? Make the most of the professionals available to you, and learn as much as you can about your horse and his individual needs.

First, schedule a visit with your veterinarian. When you make the appointment, tell them you want a complete physical examination with extra time for questions and perhaps even a nutritional consultation. If you need a Coggins test, health certificate or any other tests or paperwork, be sure to mention that, too. Review with your veterinarian any problems that occurred over the winter or concerns about the upcoming season. Between this discussion and your veterinarian's physical exam findings, you should be able as a team to develop a treatment or preventive maintenance program that is customized for your horse.

During this visit, maximize the "quality time" with your veterinarian by getting involved:

- Learn how to body condition score and weight tape your horse properly
- Determine if the type or amount of hay, grain and supplements you feed needs to change
- Take a core sample of your hay and give it to your veterinarian for analysis
- Inspect your horse's skin, coat and hooves for poor quality or disease conditions
- Discuss parasite control and submit a fecal sample
- Learn what new diseases may be occurring in your area and request specific vaccinations (such as equine herpesvirus – 1)
- With your veterinarian, examine your horse's mouth and develop a dental plan (have your vet or an equine dentist float the teeth if necessary)
- Explain your riding and showing plans for the season and ask your veterinarian's opinion on proper conditioning
- Evaluate your horse's risk for conditions like colic, laminitis and ulcers by sharing turnout strategy: how much time will he been in a stall vs. turned out and will he have access to pasture
- Find out if your horse may benefit from electrolytes, antioxidants, joint supplements or other products if you plan to travel or show

Other professionals you may need to schedule visits with include your farrier, equine dentist and nutritionist. If you're responsible for maintaining pastures, you may want to work with someone from a university, county extension office or even feed dealer to prepare your pastures so they can support your horse(s) activity and nutrition.

Finally, whether you compete or just ride for fun, work with your trainer (if you have one) to design a training and conditioning program so that your horse is fit mentally and physically for his task. Incorporate your veterinarian's recommendations on proper conditioning, and remember that training is teaching your horse skills and conditioning is improving his flexibility, muscular strength and cardiovascular fitness. You need both programs to succeed and to keep your horse sound. In general, increase the intensity of your horse's work OR the length/time but not both at the same time. For example, if you have been walking your horse for 30 minutes a day during the winter, either walk for 25 minutes and trot for 5 minutes OR walk for 45

minutes.

For detailed instructions on how to prepare your horse for a specific discipline, such as dressage, three-day eventing or reining, read *Conditioning Sport Horses* by Dr. Hilary M. Clayton.

## GAHA Membership Supports Region 12

### SYLVIA ZERBINI LIBERTE EQUESTRIAN THEATER Appearing Saturday Evening

Grande Liberte is a true tribute to the horse! Sylvia Zerbini strives to communicate and connect to our legged partners through memory cues, voices, energy, emotion, eye contact, and body language. With a unique blend of horses and humans you will enter into a whole new world where communication with horses will connect to your heart. Her performance will take you to a place where only real bonds can be formed! Recently, Sylvia was the star attraction at the famous Cavalia. Region 12 is fortunate to have her perform with her 10 Arabian horses on Saturday night, May 7th, thanks to Allison Mehta and the generous contributions of the following Arabian horse enthusiasts:

Johanna Ullstrom (Belgium)  
Danny Heithold (Georgia)  
Bill and Irma James (Georgia)  
Glenn Stevenson (Florida & UK)  
Botswana Trust and Talaria Farms  
Liezl Els, Agmal Stud (South Africa)

# Koweta Arabians

*Denni Mack - Owner*

*855 Gilbert Road ~ Monticello, Georgia 31064*

*Home: 706.468.2549*

*E-mail: [kowetaarab@gmail.com](mailto:kowetaarab@gmail.com)*

*No one needs an introduction to the breeding program of Denni Mack. Koweta bred horses have been winning National & Regional Championships for decades, and with Denni's ongoing program, they will be for years to come. Highly sought after, Koweta bred individuals are winning in most every discipline and being used in breeding programs both domestically and internationally. Koweta has something for everyone!*

## Koweta Deacon

AM Gypsy Village x Divine Promise

*15 years, Grey, 15 hands  
CA and SCIDS tested clear  
2016 stud fee: \$1,500*

*Deacon's pedigree includes some of the greats close up. His dam is a daughter of National Champion \*Marsianin and her dam was out of a \*Silver Drift daughter, full brother to \*Serafix. His sire, AM Gypsy Village, is by the Australian import \*Bremervale Destiny, found in the majority of champion pedigrees across that nation. And Gypsy's dam carries the best of Al-Marah breeding being by Al-Marah Sea Captain. Both sides of Deacon's pedigree carry lines to the Crabtree moving horse, Rissalix, found also in many of the Russian pedigrees. That counts for Deacon's athletic ability to sire great forward movement. His head is exquisite, coming from both sides of his pedigree.*

## AL-MARAH FIGHT FAIR

AM Double Dream x AM Fairly Fresh

*12 yrs, Grey, 14 hands~CA & SCIDS clear  
2016 stud fee: \$1,500*

*Sweepstakes Nominated Sire & WCAHA Futurity*

*Pure Al-Marah with type, balance, movement, grace AND the greatest disposition I've ever had in a stallion! His dam is by Al-Marah Garcon who is also of the Rissalix line, so he has great forward motion and extension and is siring it. All his foals have his beguiling and people-oriented disposition and are great fun to have around. Fight Fair, himself, is unshown, but his oldest "children" are winning in the Sport Horse In-Hand arena and others are up and coming in the endurance world. And they ALL are way surpassing him in size, several over 15 hands.*

# It's a Matter of Trust

*Pagan Gilman*

# Atlanta Riding Club— Grand Reopening!

**A**tanta Riding Club, the riding academy at Vicki

Humphrey Training Center, was once one of the biggest riding academies in the Georgia area. ARC lead many students toward becoming National Champion competitors. From Horse Camps and Beginner lessons, to Advanced riding and Mom's Mornings Out, Atlanta Riding Club had something for everyone.

After shutting down for a few years, Atlanta Riding Club is reopening and accepting new students! Mallory DeVoll, graduate of the top equine school, William Woods University, is now the head instructor and director of Atlanta Riding Club. She has successes in the show ring at a Regional and National level, and is excited to be able to share her knowledge and love of riding with others.

The Atlanta Riding Club specializes in taking beginner riders and turning them into confident and capable riders in and out of the show ring, but they do much more than just lessons. Atlanta Riding Club offers an after school program called Horses and Homework, a class for the Moms, called Moms Morning Out, a very social Wine and Ride Wednesdays, Summer Horse Camps and an Adult Camp in the fall, and so much more. Atlanta Riding Club takes being a riding academy and expands it to being a fun club atmosphere with "everything horses".

The Atlanta Riding Club will be joining forces with GAHA to host fun events and horse shows for all GAHA members. So stay tuned and plan to join in the fun because Atlanta Riding Club is back!

Questions? Contact Mallory DeVoll  
mallorydevoll.arc@gmail.com
